

The UPS Store Print & Business Centers inside the **JW Marriott and Marriott Water Street** can print your poster, saving you time, money and hassle. Simply email your file to us and pick it up upon your arrival at the conference in Tampa.

- We print on a semi-gloss photo paper.
- Please build your files at 100% of their intended finished size. Any wording or graphics within 1/8" or less from the edge may be subject to being cut in the printer. Please allow a border around the edges of your print.
- Please ensure that any JPG, TIFF or PNG files that may be embedded in your document (for logos, pictures or other graphic elements) have sufficient resolution to clearly print at the desired dimensions. It is best that any logos are inserted as EPS files. Minimum for high-res printing of a jpg, png, or tiff file **is 300dpi**.
- **Please provide all files to us in PDF file format.**
- Please allow us at least two business days to print your poster(s).
- Please complete this order form and along with your files or cloud links, email it to eventsolutions@upssprint.com.

Please contact us if you need assistance uploading a very large file.

For further information, please contact us at eventsolutions@upssprint.com
